MISSION STATEMENT

Central Christian College of the Bible exists to develop servant-leaders for the church. As a traditional undergraduate Bible college, Central equips men and women for leadership in the Kingdom of God both nationally and internationally.

Central seeks spiritually-minded students who actively participate in their local congregations, have the intellectual ability to study at the college level, and desire to become equipped with the knowledge, attitudes, and skills for vocational church leadership and volunteer positions.

Central provides degrees and certificates that equip students with a Bible-centered higher educational foundation within the context of a Christian worldview and help students become productive, contributing members of their communities.

Affiliated with the Restoration Movement, Central seeks to graduate faithful servant-leaders distinguished by authentic Christian character, who have the ability to communicate the Gospel effectively and become disciple-makers worldwide. This mission obeys the Biblical mandates of 2 Timothy 2:2, *“Pass on what you heard from me...to reliable leaders who are competent to teach others”* [The Message] and Matthew 28:19, *“Go, therefore, and make disciples of all the nations....”* [NASB]
